**Shariah Approval For Paying Zakat to
The Medical Aid Foundation**

INTRODUCTION:

The Medical Aid Foundation (TMAF) relies solely on the generosity and well-wishes of its patrons. The projects of TMAF are manifold; among them are primary health care, early cancer detection centers and hospice services. TMAF operates free medical camps and seminars all year round and takes emergency relief supplies to remote disaster areas in times of need. Our well-run four divisions, namely cancer, primary health care, family planning, social service, and mobile service, carry out all these services.

METHOD OF UTILIZATION OF ZAKAT:

The financial needs of TMAF are being covered by Zakat that individuals & corporate contribute. After verification of Zakat eligibility, the specifically assigned official of TMAF requests permission to collect Zakat on behalf of Zakat eligible and to spend it directly on expenses of Zakat eligible as per the conditions of Zakat form. According to these limits TMAF uses Zakat funds very carefully.

SHARIAH RULING:

Based on our review, we hereby confirm that The Medical Aid Foundation collects and spends Zakat fund in accordance with the instructions of Shariah. It is also confirmed that whosoever will give Zakat to TMAF; their Zakat will be paid as per Shariah point of view.

May Allah grant the management of TMAF best reward for their services, and may give in their mission more blessings and sincerity. Aameen
